

NexaMart Discount Policy

Purpose

This fictional policy defines standard commercial discount limits for NexaMart sales.

Retail customers

Standard retail customers may receive discounts up to 10% without director approval.

Corporate customers

Corporate customers may receive discounts up to 15% for approved bulk purchases.

Wholesale customers

Wholesale customers may receive discounts up to 20% when the order meets the approved volume threshold.

Online customers

Online promotions may provide discounts up to 12%.

Approval above limits

Any discount above the applicable limit requires written approval from the Commercial Director.

Monitoring

Finance should review discount exceptions monthly and report material leakage to management.
